Resurrection Episcopal Church Sunday School...

participating in the DelVal movement where you paint a rock and leave in a location where somebody can pick it up- like on a trail path, in your dentist's office, etc., The idea is not to keep the rock but rather to allow it to travel. Our rocks have our church name on it as well as a lovely message. We hope to bring to bring joy to the lucky people who find our rocks, as well as location awareness...We are here, we are here, we are here!
